

## Curriculum Vitae

<b>Name:</b> (Arabic)	ايهان عبد الهادي حسين
English	Eehan Abdulhadi Hussein

<b>Academic Degree</b>	Lecturer
------------------------	----------

<b>Specialty (Department)</b>	PhD in Mycology
<b>Mobile no./ office tel.</b>	07701715283
<b>e-mail (Academic and Personal)</b>	<a href="mailto:dr.ehanabdulhadi@gmail.com">dr.ehanabdulhadi@gmail.com</a> <a href="mailto:ehan.a.g@ibnsina.edu.iq">ehan.a.g@ibnsina.edu.iq</a>

<b>Current Responsibilities</b>	
	Teaching Microbiology for Third Stages
	Teaching General medicine for the Fourth Stage
	Lab Supervisor in medical microbiology

<b>Research Interest (titles)</b>	
	Microbiology
	Mycology
	Oral infectious diseases

<b>Teaching Interest</b>	
	Microbiology (Theory & Practical)
	General Medicine (Theory & Clinical)
	Biology

Current Collaboration and Partnerships	

Education (Degree, College, University, Year)	
	PhD in Mycology, College of Medicine, Al-Nahrain University, 2014
	MSc in Bacteria, College of Medicine, Tikrit University, 2006
	M.B.Ch.B in Medicine, College of Medicine, Baghdad University, 1987

Date of joining IbnSina University of Medical and Pharmaceutical Sciences	5/5/2016
---	----------

Research Summary (maximum 350 words)	My research is based on identification the presence of bacteria and fungi in oral diseases and oral infections in addition to skin infection in adults and children. This is achieved by multiple investigation processes, different evaluation techniques for the microorganisms in vitro. Investigation the possibility of using natural constituents in treating oral infection was also studied.
