

Curriculum Vitae

Name: (Arabic)	تغريد عبد الرحمن كريم خسرو
English	Tagreed AbdulRhman Kreem

Academic Degree	lecturer
------------------------	----------

Specialty (Department)	Master of Science (M.Sc.) in Genetic engineering and biotechnology
e-mail (Academic and Personal)	Tagreed.abd.g@ibnsina.edu.iq tagreedabd@gmail.com

Current Responsibilities	Member of central Exam Committee/ college of Dentistry
---------------------------------	--

Research Interest (titles)	
	Microbiology
	Bacteriology
	Molecular biology

Teaching Interest	
	Genetic engineer

Education (Degree, College, University, Year)	
	Master of Science (M.Sc.) in Genetic engineering and (2013-2014) biotechnologies Baghdad University.
	B.Sc. degree in Biology-Biotechnology/ college of science (2004-2005) /Al-Mustansiriya University/Baghdad/Iraq.

Date of joining IbnSina University of Medical and Pharmaceutical Sciences	2/11/2019
--	-----------

Publications	
	Master Thesis entitled (Detect genes ST,LT Toxin for

	Escherichia coli (E.Coli)bacteria isolated from stool and urine sample by multiplex PCR Technique.
	Research published in the Iraqi Journal of Cancer and Medical Genetics(6/3/2013).

Biography (Ex: academic history, Awards)	
	Worked National Center for drug Control and Research(NCDCR).2017
	Worked multiplex PCR in Baghdad University.
	Worked Center Public Health Lab(CPHL)
	Working real time PCR (EGFR) and HPV in Unite Molecular biology in CPHL (2018).
	Eliza worked from in NCDRC5 (2017-10/2017)
	Working multiplex PCR.(2011)
	A member of the Quality laboratory of Molecular Hiology laboratory in Center Public Health Lab (CPHL)

Activities	
	Giving lectures on the principles of PCR and Real Time PCR for students of the University of Baghdad and AL-Mustansiriyah University in CPHL. (2017-2019).
	Occupational Health and Safety Course at the Center for Disease Control(2018).
	Basic course for new employees for one month / Department of Public Health / Ministry of Health.2018
	Presentations on PCR and various topics / Department of Public Health / Ministry of Health in period . (9/2018-4/2018).
	External training and participating in Inter-country meeting
	Computer Course at the Computer Center / University of Baghdad (IC3).2010
	TOEFL Course in Continuing Education / University of Baghdad (ITP).2010
	training course in medical diagnostic tests in tropical-Biological Research Unit/college of Science /University of Baghdad.2009

Ibn Sina University of Medical and Pharmaceutical Sciences
College of Dentistry
