

## Curriculum Vitae

<b>Name:</b> (Arabic)	دانيه فؤاد عبد الأمير الصفار	
English	<b>Dania Fouad Abdulameer</b>	
<b>Academic Degree</b>	<b>Assistant lecturer</b>	

<b>Specialty (Department)</b>	Pharmacology/ Basic Science Department/ College of Dentistry
<b>e-mail (Academic and Personal)</b>	<a href="mailto:Dania.alsafar@ibnsina.edu.iq">Dania.alsafar@ibnsina.edu.iq</a> Daniaalsafar2009@gmail.com

<b>Current Responsibilities</b>	Member of Documents and Certificates Unit/College of Dentistry
	Assistant lecturer at Ibsina University of Medical and Pharmaceutical Sciences/ College of Dentistry

<b>Research Interest (titles)</b>	
	Pharmacology science
	Medicinal plant and pharmacognosy

<b>Teaching Interest</b>	Pharmacology science
--------------------------	----------------------

<b>,Education (Degree, College, University, Year)</b>	BSc in pharmaceutical sciences/ Baghdad College of Pharmacy 2003-2008
	Master in pharmaceutical science/ pharmacognosy and medicinal plants 2014-2016

<b>Date of joining IbnSina University of Medical and Pharmaceutical Sciences</b>	<b>6/4/2023</b>
--	-----------------

Publications	
	Hepatoprotective Effects of London Rocket ( <i>Sisymbrium irio</i> L) Extract against CCL <sub>4</sub> induced Hepatotoxicity in Albino Rats.
	Investigation of the Main Alkaloid of London Rocket ( <i>Sisymbrium irio</i> L) as a Wild Medicinal Plant Grown in Iraq
	In Silico Molecular Docking Studies of Medicinal Arabic Plant-Based Bioactive Compounds as a Promising Drug Candidate against COVID-19
	Wound Healing Studies of Selected Euphorbia Species: A Review
	Comparative Studies Of Phytochemical Screening, Antioxidant, Anti-Inflammatory Assays And Lc-MS/MS Analysis Of <i>Euphorbia Hirta</i> L. Collected From Malaysia And Iraq.
	Fusidic Acid/Tea-Tree Oil Nanoemulsions: A Potentially Safe and Effective Anti-MRSA/MSSA Topical Agent for Chronic Wound Healing
	Development and Validation of HPLC Method For the Detection of Fusidic Acid Loaded in Non-ionic and Cationic Nanoemulsion-Based Gels

Biography (Ex: academic history, Awards)	Education and qualifications:			
	Degree science	university	college	Date
	MSc. pharmaceutical sciences/ pharmacognosy	Al-Mustansiriyah University	College of Pharmacy	2016
	BSc. pharmaceutical sciences	University of Baghdad	Baghdad College of Pharmacy	2008
	<p>- Worked as Clinical Pharmacist at Al-kindy General Teaching Hospital in 2009-2010.</p> <p>- Worked as Clinical Pharmacist at Al-aalwia Gynecology Teaching Hospital in 2011.</p> <p>- Worked as a Clinical Pharmacist at Ibn Al-Baladi pediatric teaching hospital in 2012.</p> <p>- Teaching assistant lecturer at Al-Yarmouk Pharmacy College 2013-2014.</p> <p>- Teaching as an assistant lecturer at the Al-Rafidain College of Pharmacy since 2016-2018.</p>			
	<b>Courses that I teach</b>			
	University/ Department		Subject	
	Ass.Lecturer at clinical laboratory/Al-Yarmouk university/ department of pharmacy		Clinical pharmacy	
	Ass.Lecturer at clinical laboratory/Al-Yarmouk university/ department of pharmacy		Clinical biochemistry	
	Ass.Lecturer at pharmacognosy laboratory/Al-Rafidain university/ department of pharmacy		Pharmacognosy and medicinal plants	

Activities	Participation in workshops		
	Place	Workshop title	Date
	Ministry of health	Program in clinical pharmacy	2010

	College of Pharmacy/Al-Mustansiriyah University	Chemdrop workshop	2014
	College of Pharmacy/Al-Mustansiriyah University	Laboratory safety and security workshop	2015
	University of Technology	Methods of teaching	2016
	Iraqi society of hypertension	Hypertension disease	2017
	College of biology/ University of science Malaysia(USM)	Medicinal Plant classification in herbarium	2019
	BUCHI sdn/ University of science Malaysia (USM)	Purification and drying for Natural product applications	2019
	College of pharmacy/ University of science Malaysia(USM)	Training about Laboratory animals	2019
	Center of drug research /University of science Malaysia(USM)	Cell culture Technique training	2020
	Factuality of pharmacy/ UCSI University	Computational Molecular docking for drug designee	2020
	College of pharmacy/ University of Baghdad	Proper Management of hazard chemicals	2022
	College of pharmacy/ University of science Malaysia(USM)	Publishing in high Impact Journal	2022
	College of pharmacy/ University of science Malaysia(USM)	Statistical analysis in pharmaceutical health and applied sciences research	2022
	Reviewing many of scientific Manuscript for different Journal in pharmaceutical sciences		2019-2023

<b>Participation in conferences</b>		
Al-Nahrain University /college of medicine, Baghdad, Iraq	The 10th scientific conference Al-Nahrain University /college of medicine,	2018

Ibn Sina University of Medical and Pharmaceutical Sciences  
College of Dentistry

College of pharmacy/ University of Baghdad	The University of Baghdad college of pharmacy 10th scientific conference	2022
College of Pharmacy/Al- Mustansiriyah University	The 2nd Postgraduate Conference Advance in Pharmaceutical Science	2022
College of pharmacy/ University of science Malaysia (USM)	The 1st international Postgraduate Conference of pharmaceutical and health Science (IPCPHS)	2022
College of Pharmacy/ University of Malaya (UM)	International Symposium of pharmacy research (IMPRES)	2022
